Y4s Top Secret Overnight Mission!

Dear Parents/Carers,

We are very pleased to announce that we have organised an overnight residential experience for our Y4 pupils on the school grounds this June. On Friday 9th June, Class 10 will be invited to sleep overnight at school and on Friday 16th June, Class 9 will have the opportunity to do the same.

As part of the experience, children will camp in tents on the school field and will have access to the school toilets. During the evening, children will be responsible for cooking their own tea and will take part in various activities led by a qualified outdoor leader. Please let us know of any medical dietary requirements if not already on a care plan.

The cost for the experience will be £20 to cover the camping equipment being hired and all food costs. Children need to come to school on the Friday wearing comfortable/ PE type clothes. Children will bring their overnight bag to school on the morning of their experience (sleeping bag and pillow, pyjamas, a change of clothes and their toothbrush with toothpaste) and will be collected from school the following morning at 9:45 via the Chislett gate leading into the KS2 playground.

If you would like your child to be involved in the evening, please send payment through ParentPay before Friday 26th May which will secure your child's place. We're very much looking forward to these sleepovers and hope that we will give your children unforgettable memories of their time at Redscope.

If you do have any questions, please do not hesitate to speak to Mrs Walpole or email her through rsp-class13@nclt.ac.uk

Kind regards,

Mrs Bradbury
