

March 2023

Dear Parent/Carer,

Swimming lessons for Y4 children will begin on Monday 17th April in the afternoon at the Rotherham Leisure Complex. These lessons will continue each Monday for 12 weeks and will finish on Monday 17th July. The children will be taken to and from the Leisure complex by coach.

Children will need a swimming costume, a towel and a swimming cap. Girls should wear a one piece suit (no bikinis) and boys will only be allowed to wear proper trunks or swimming shorts (above the knees). All children will need a swimming cap which can be purchased at the centre at a cost of £2.00.

Whilst at Rotherham Leisure Complex, the children will be expected to abide by the strict safety rules and regulations. Pupils who do not conform to these rules may not be able to participate in the full course of lessons.

Please ensure that if your child has an inhaler, this is in school at all times and is in date. Please check that we have an up to date medication form.

Please log on to Arbor to give your consent before Friday 31st March.

Yours sincerely

Mrs Alison Bradbury

Headteacher
