

12th October 2022

Dear Parents/Carers,

Over the years, classes at Redscope have been involved in the Young Voices Concert at the Utilita Arena, Sheffield. This is a wonderful occasion for the children and it is something that they will remember for many years to come. Year 6 children have been invited to attend the event in 2023; the children will be part of a huge choir and will themselves be the stars of the show. For more information about the event itself, check out the website www.youngvoices.co.uk.

The date of the show that we will be participating in is **Thursday 2nd February 2023**. The event will take place in the evening after a rehearsal in the afternoon. Children will travel by coach to the arena and will be brought back to school in the evening for collection. Please complete the permission slip on ParentPay, giving permission for your child to attend the event by the end of next week, **Friday 21st October**. A further letter will be sent out in due course with additional information about packed lunches and pick up times back at school in the evening. There is no cost for children to take part in this event- school are funding the cost of the coach.

If you would like to buy tickets to be in the audience on the night, please fill in the attached order form and return it to school with the payment via ParentPay by **Friday 11th November** at the very latest. School will then order the required number of tickets. Please note- there are no concessions, all tickets cost £23. The Year 6 children taking part do not require a ticket as they will be part of the show but anybody who wants to be in the audience will need to purchase a ticket. Y6 Children can still attend the event even if parents do not purchase a ticket.

In the coming days, an email will be sent home with a unique link to the online resources. Please complete the fields with your email address and your child's details so they can practise the songs at home. If you do not have internet access, please let your child's class teacher know. If you do have any other questions about this experience, please do not hesitate to contact Mrs Walpole through the class email address class13@redscopeprimaryschool.co.uk

Thank you for your continued support.

Yours sincerely,

Mrs A Bradbury
Headteacher
