

Reception Class Autumn One This is Me!

Communication and Language	Literacy
This half term we will be settling in to new routines and	In literacy we will use the Talk for Writing method and
making new friends. All children are encouraged to ask	learn the story 'The Little Red Hen' as a class, later
questions to find out more and to check they understand	innovating the story using the same story language but
what has been said to them. The children will share their	changing the characters.
experiences of events and discuss what is important to	We will consider the changing seasons and visit the
them. They will be supported to listen to each other carefully.	woods, writing a class recount of the event.
	Children will develop their phonic knowledge learning
	to recognise and write the letters of the alphabet and
	begin their journey
	Key Vocabulary
	Story language: Once upon a time, Early one morning,
	The end.
	Recount: First, Next, After That
Mathematics	Physical Development
In maths we will learn to sort and categories interesting	In PE we will play ring games and practise teamwork.
found objects in different ways. We will look at pattern	They will develop co-ordination and balance building
and shapes, making repeating patterns and correcting	confidence in the way they move.
errors.	
In number we will count actions and sounds. We will	
explore numbers 1-6, learning to subitise, compare	
amounts and consider the composition of these	
numbers.	
Key Vocabulary	
pattern, categories, repeat, subitise, compare	
Personal, Social and Emotional Development	Understanding the World
All children are encouraged to see themselves as a	This half term we will discuss our families and people
valuable individual; we will talk about what makes them	who are important to us. We will create pictures of the
special and discuss their talents and interest during	important people in our lives and discuss them during
carpet time. This terms focus is to support the children	circle time. Children will be encouraged to recognise
to build constructive and respectful relationships with	that people have different beliefs and celebrate special
their peers and adults working alongside them. Children	times in different ways. This term the focus will be how
are encouraged to express their feelings and consider	Diwali is celebrated and we will make rangoli patterns
the feelings of others. We will spend time enabling this	and diva lamps using clay.
behaviour in discussion during circle time, using books	We will spend lots of time outside looking after the
such as 'The Colour Monster,' 'Incredible You', 'Me and	plants in our garden and discussing the changes in the
Colour' and 'The Suitcase.'	season, considering how this affects nature around us.
Everyosiyo Arts and Design	
Expressive Arts and Design In art the children will continue to build on the skills	
developed so far. They will make observational self-	
portraits, looking carefully at skin colour, hair colour	
and eye colour, using powder paint to create these	
colours. We will listen to music and create painting	
inspired by Rothko to comment on and express our	
feelings and emotion, using colour to show this.
