

Redscope Primary School

Spring 1 Year 5 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Monday and tested on a Monday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 5 we expect the children to practise their times tables three times a week for 15 minutes.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by **the final week of this half term**. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- The Kingdom of Benin was found in what is now known as Nigeria. Can you create a fact file about modern Nigeria today? What is the main language? What food do they eat there? What is the currency? Etc.
- The Kingdom of Benin had a special instrument called a thumb piano. This was made from materials found/created in the area where this civilisation lived. Can you make your own instrument using objects around the home?
- Research Benin Bronze. Can you create a drawing of one of them? Or even create your own Benin Bronze?
- Or something else creative that relates to our topic.
