

# **Redscope Primary School**

## **Spring 1 Home Learning**

### **Expected Learning**

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have 5-10 spellings to learn each week. These are sent home in a booklet at the start of each half term. Please make sure that your child practices. Just 5 minutes, three times a week will make a huge difference. They are tested on a Monday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1 we expect the children to use Numbots, three times a week for 15 minutes.

### **Additional Curriculum Task**

Please choose at least one item from the menu below and bring the home learning into school by the end of half term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Research Queen Victoria, Queen Elizabeth II or King Charles and use the facts to make a poster, video clip or PowerPoint presentation.
- Draw a portrait of a member of the Royal Family.
- Explore your local area (with an adult) now that it is wintery. You could tweet us a picture.
- Design a castle/home for a queen.
