

Redscope Primary School

Spring 1 Home Learning

Reading	We expect that the children read at least three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times per week will make a huge difference. Spellings are given on a Friday and tested the following Friday.
Maths	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. Children's number target for this half term is to learn, by heart, their 5x tables and continue working on 10s. They should be able to rapidly recall all of the 10x and 5x tables up to, and including 12x. In year 2, we expect children to practice for 15 minutes, three times per week. Children can do this by accessing TT Rockstars. All children have been given login details. Also asking your child a number sentence, e.g what is 5 x 3? What is 5 x 8?

Additional Curriculum Tasks

Please choose at least one task from the list below and bring the home learning into school by Monday 5th February. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Research The Great Fire of London.
- Design a poster about being healthy.
- Make a number bond or times table board game.
- Make a model dragon.
- Make a model of The Great Fire of London.
- Keep a diary for a week.
- Make a time line of the events of The Great Fire of London.
- Write a story about a Dragon.
- Great your own Dragon art work.

Visit

We are looking forward to a visit from Sir William Petty on Monday 15th January. Please remember to send a contribution towards the cost of this fantastic learning experience to the office in a sealed envelope with your child's name and class on.
