

Year Foundation 1 - Spring 2, 2024

Learning Journey: Superheroes

Please help your child with these weekly tasks:

Alliteration - I Spy game

Please ask at school how to pronounce the sounds/phonemes or check on the Little Wandle website at

<https://lettersandsounds.org.uk/index.php?page=overview>

Collect some favourite dolls, teddies or soft toys and play the game, saying

'I spy someone whose name begins with...'

say the initial sound e.g. 'rrrr'

your child can then try to

identify the toy whose name begins with this initial sound.

"rrrrrabbit!"

Blending and segmenting game

At bedtime, hide a few objects in a pillowcase (they may be some objects relating to the story you will tell). For example, if you are going to read the story of 'The Gingerbread Man' you might put a fox (f-o-cks), cow, (c-ow), dog (d-o-g) and a cat (c-a-t) in the pillowcase. Ask your child what they have found, when they say the name of the object ask them to repeat after you and say the names in sound talk e.g. man = m-a-n.

Practise their Maths

Target

Subitising (the ability to instantaneously recognise the number of objects in a small group without the need to count them).

Subitise numbers 1 to 3.

Extra challenge: Subitise to 4 or 5.

Roll a dice (with dots). How many dots? Show that many fingers.

This half term we would like every child to choose their home learning from the list below. Children can choose one or more projects and they may present their work in any way they like. The more creative and individual the better. Children's learning will be displayed in school and dojo points will be given for participation.

- ⇒ Which super power would members of your family like to have?
- ⇒ Make your own Superhero mask for display in class.
- ⇒ Talk about real life superheroes e.g. Doctors, Nurses, Police, Fire-fighters.
- ⇒ Read a Superhero story with a grown-up. Can you think of a different ending to the story?
- ⇒ Superhero physical challenge: How many star/jumps can you do in a minute?
- ⇒ Read or watch the story Supertato by Sue Hendra on you tube: <https://www.youtube.com/watch?v=QlaMeNmTG6c>. Then answer the following questions...

Who had escaped from the freezer? Where did Supertato find evil pea? How did Supertato catch the evil pea? How did everyone feel at the end of the story?

- ⇒ Create an Evil Pea using playdough, pipe cleaners and googly eyes.

We would love to hear about your adventures—Have Fun!

Home learning can be talked about in class when your child is

confident to do this. Thank you again for your continued support.
