

Redscope Primary School

Year 3 Spring 2 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week. We encourage the children to take part and contribute towards 100% of the class reading at home or in their own time in order to receive a special class reward.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on the following week. You will be able to track their progress in the reading diary.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 3, we expect the children to practice their times tables three times a week for 15 minutes. TT Rockstars is an excellent platform to do this on. Look out for battles and rock slams that are set by the class teacher.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by the end of term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

1. Explore the Science Sparks Website and carry out your own investigations. Don't forget to tweet us.
2. Go on a local walk and record the plants that you see. Could you draw some of these plants?
3. Carry out some research about rivers.
4. Do a fact file about a European country of your choice.
5. Further your learning about the Hindu religion and explore one of their celebrations.
6. Create a poster about keeping healthy.

You can also tweet pictures of your home learning to @redscopeschool or email the class teacher at RSP-Class7@nclt.ac.uk Mrs Hipwell
RSP-Class8@nclt.ac.uk Mrs Ryott
