

Redscope Primary School

Spring 2 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have 5-10 spellings to learn each week. These are sent home in a booklet at the start of each half term. Please make sure that your child practices. Just 5 minutes, three times a week will make a huge difference. They are tested on a Monday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1 we expect the children to use Numbots, three times a week for 15 minutes.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by the end of half term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Walk around the local area with your adult and talk about the different types of houses you can see e.g. flat, detached house, semi-detached etc... You could tweet a picture to the class.
- Design your perfect garden. What plants would you grow? Would you have any grass?
- Design a game to help you learn your number bonds to 10/20.
- Make your own sculpture using playdough, mud, snow etc...
- Draw a map of your journey to school.
