

Redscope Primary School
FS2 Summer 1 Home Learning

Expected Learning

Reading	<p>We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner.</p> <p>Children achieve 3 dojos for reading three times in a week. Your child will continue to bring home their weekly phonics book.</p> <p>Every Wednesday the children will choose a new library book to take home. Please ensure they have this book ready to swap on a Wednesday. Spend time, perhaps at bedtime, looking through the book together and talking about the pictures, predicting what might happen next and spotting some tricky words within the text. In addition to this, please practise any flashcards and tricky words that have been sent home.</p>
Literacy	<p>This term we will be learning, by heart, a non-fiction text about Ladybirds. This is a recommended approach to support writing from the Talk for Writing method. A script and text map will be sent home, please spend time helping your child learn the story. Feel free to send videos of your child retelling the story via dojo, they love sharing these with their friends in class.</p>
Mathematics	<p>In maths we will be learning about sharing and division – try sharing items like grapes or raisins between 2, 3 or 4 or putting a large number of items into groups of the same amount. Bake something yummy and look at the weights on the different packets. Compare the weight of different fruit in the fruit bowl. Find out how many jumps, claps, hops etc. you can do in a minute.</p>

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by . This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Go on a minibeast hunt and take photos or draw a picture of the different minibeasts you see.
- Create a bug hotel using recycled materials.
- Invent an Imaginary Insect. Ask your child to draw an imaginary insect with a head, body and 6 legs using coloured pencils.

You can also send pictures of your home learning via X (formally Twitter) tagging @redscopeschool or send a picture via Class Dojo.

If you do have any questions about your child’s learning, please do not hesitate to contact us via Class Dojo.
