

# Redscope Primary School

## Autumn 1 Home Learning

### Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in a booklet. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are tested on a Monday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1, we expect the children to practise their number facts using the online website NumBots. Please do this for at least 10 minutes per week. A maths minute will also be sent home each week.

### Additional Curriculum Task (Additional optional home learning)

This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Research an activist of your choice.
- Keep a weather chart for a week to identify the weather.
- Go on a walk and identify signs of Autumn. You could do a picture.
- Create an Autumn collage.
- Interview an adult about their favourite healthy snacks.
