

# Redscope Primary School

## Autumn 1 Home Learning

### Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables using TTRockstars. Sessions are set in the garage and we ask children to complete at least 30 minutes per week. Children will also be set an additional arithmetic homework weekly on a Friday.

### Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by Monday 21st October 2024. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Research different types of transportation and their advantages and disadvantages and make a poster.
- Make a model of a mode of transport.
- Create a map showing food trade links.
- Draw a picture of an outdoor environment and think carefully about shading and texture.
- Make a model or draw a picture to show the different types of teeth humans have.
- Identify the producer, prey and predator and create a 3D food chain to represent this.
