

Redscope Primary School

Spring 1 Home Learning

Expected Learning

| | |
|-------------|--|
| Reading | We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week. |
| Spelling | All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on a Friday. |
| Mathematics | Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the garage section on TTRockstars. Please complete at least 30 minutes per week. Children are also expected to complete a weekly homework. |

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by Monday 10th February. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Design an ideal animal habitat – draw or model.
- Make a moving animal in their habitat using levers and linkages.
- Draw a picture or make a model of a volcano and label the physical features.
- Create an information poster about the tectonic process that will lead to an earthquake.
- Make a poster on how to stay fit and healthy.
- Write a comprehension for your favourite story.
- Write a book review for your favourite story.
