

Redscope Primary School

Summer 1 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are sent home in a booklet at the beginning each half term. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are usually tested on a Monday. The Spelling Frame website is a useful site for extra learning.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1, we expect the children to go on NumBots three times a week for 10 minutes. A Maths minute will also be sent home each week.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by the end of half term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Go on a walk and write down the types of flowers that you see.
- Draw a picture of Kimberworth Park in the past and today.
- Create a poster about being a responsible citizen and looking after our local area.
- Look at different books with levers and sliders you may have at home. You could even make your own.
- Go on PurpleMash and practise logging on and off independently.
- Run a daily mile in your garden or a local park.
