

Redscope Primary School

Summer 2 Home Learning

Expected Learning

| | |
|-------------|--|
| Reading | We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week. |
| Spelling | All children have spellings to learn each week. These are sent home at the start of each half term. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are tested on a Monday. |
| Mathematics | Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 1, we expect the children to practise their number facts using the online website NumBots. Please do this at least 3 days a week for 10 minutes. |

Curriculum Task (optional)

Please choose at least one item from the menu below and bring the home learning into school by Friday 11th July. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Go on a clock hunt around your house. How many clocks could you find? Were they mainly analogue or digital clocks?
- Research a U.K. city of your choosing and record 5 facts you have found.
- Make a collage/ paint your own flag. What colours would you include and why?
- Make a poster to explain to someone what primary and secondary colours are.
- If you could live anywhere in the U.K. where would it be and why?
