

Redscope Primary School

Summer 2 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. The children can practise their spellings on Spelling shed. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the soundcheck section on TTRockstars. Children must complete 30 minutes on this weekly. They are also required to complete their weekly maths homework.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by . This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Write a detailed recount of a favourite day
- Write some word problems about money that we can try and solve at school
- Create a poster about renewable electricity
- Create a 3D model of the pyramids or a sarcophagus
- Do some research about Ancient Egypt and present this in an exciting way (poster, PowerPoint etc)
- Make some 3D models of a variety of 3D shapes
