

Redscope Primary School

Spring 1 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the garage section on TTRockstars. Please do this at least 5 days a week for 10 minutes.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by Monday 6th February. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Create an electrical safety poster.
- Go on a treasure hunt around your home to find devices that use mains electric versus battery power.
- Draw a picture or make a model of a volcano and label the physical features.
- Create an information poster about the tectonic process that will lead to an earthquake.
- Make a poster on how to stay fit and healthy.
- Write a comprehension for your favourite story.
- Write a book review for your favourite story.
