

Redscope Primary School

Summer 1 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practises. Spelling Frame is set up weekly, and your children's login can be found in the back of their reading diaries. Spellings are given on a Friday and tested on a Friday.
Mathematics	Children need to practise their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the garage section on TTRockstars. Children must complete 30 minutes on this weekly.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by the last week of half term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Create a poster/3D model explaining the water cycle.
- Write a story using one of our toolkits – suspense, dialogue, settings.
- Research a watercolour artist and re-create a piece of their artwork.
- Conduct an experiment to find out how solids, liquids and gases react in different environments (hot, cold etc).
- Complete a cloud diary.
