

Ongoing ideas to do at home:

<p>Keep your sentences short to your child, gradually build up with time.</p>	<p>Give your child the opportunity to mark make and create images.</p>
<p>Encourage your child to walk independently for the short distances that you may usually use a pram.</p>	<p>Continue to encourage your child to become familiar with the toilet and give lots of praise when using the toilet.</p>
<p>Point out different logo's on food items, household items, bus numbers, house door numbers, road signs. This helps your child notice print.</p>	<p>Encourage your child to be more independent. Let them try to put on their shoes themselves before helping them. You may be surprised what they can do independently.</p>

Things to try at home:

Can you find some socks that have a pattern? Could you make some fruit kebab patterns?

Can your child help you to 'write' a shopping list to take to the supermarket with you? Tick off some items as you find them.

Have you spotted any bugs in the garden or at the park? Use the checklist to tick off what you see.

Shopping List	Shopping List	Shopping List
Fruit	Vegetables	cookie
apple	carrot	milk
banana	broccoli	strawberry
grapes	tomato	crackers
orange	peas	cheese
watermelon	corn	bread

We would love to see some photos of you trying some of our home learning. You could upload some photos onto Dojo. We will then be able to discuss this together at REY. Dojo points will also be given for those who take part.
