

# Redscope Primary School

## Summer 2 Home Learning

### Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Planners are checked on a Friday and names are added to a class chart, which once complete results in a reading reward.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please practice these spellings with your children, spellings are set up on spelling frame to help with this. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. Paper maths homework will be given out each Friday and needs completing before the following Friday. Children can also access TTRS to keep their times tables fact recall.

### Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by . This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Write some maths word problems about money that we can try and solve at school
- Create a poster about The Water Cycle
- Create a 3D model of the pyramids or a sarcophagus
- Do some research about Ancient Egypt and present this in an exciting way (poster, PowerPoint etc)
- Make some 3D models of a variety of 3D shapes
