

Redscope Primary School

Autumn 1 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their diary. Children achieve 5 house points for reading three times in a week. There will be other weekly incentives to ensure that children work together to achieve 100%.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on the following week. You will be able to track their progress in the reading diary. Children must bring their diaries to school every day.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 3 we expect the children to practice their times tables three times a week for 15 minutes. TT Rockstars is an excellent platform to do this on. One paper-based maths activity is also given out on a Friday. Children have until the following Thursday to hand this homework in. If the homework is completed on time, children will receive a bonus playtime.

Additional Curriculum Task

The Stone Age

Please choose at least one item from the menu below and bring the home learning into school by the end of term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Create a fact file about the Stone Age.
- Find out how fossils are formed and create an information poster.
- Write a story about someone living in the Stone Age.
- Draw and label a Stone Age home.
- Write a diary about a day in your life. Could you compare it to a typical day in the Stone Age?
- Make a 3D Stone Age home.
