Redscope Primary School

Year 3 Autumn 2 Home Learning

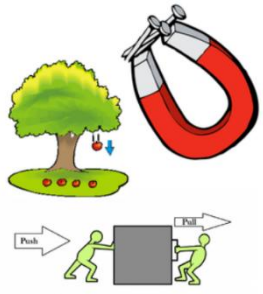

Expected Learning

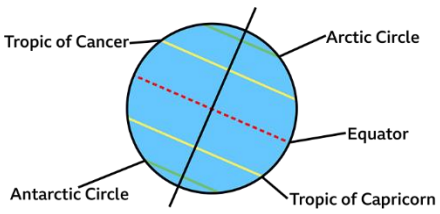

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week. We encourage the children to take part and contribute towards 100% of the class reading at home or in their own time in order to receive a special class reward.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. They are given on a Friday and tested on the following week. You will be able to track their progress in the reading diary. Access to SpellingFrame is advised.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 3, we expect the children to practice their times tables three times a week for 10 minutes. TT Rockstars is an excellent platform to do this on. Look out for battles and rock slams that are set by the class teacher.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by the end of term. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Use your learning about magnets to create your own game or magic trick. This website has lots of other fun ideas too. https://www.science-sparks.com/10-great-ideas-for-learning-about-magnetism/
- Find out more about forces. Visit this website to try out some friction experiments. https://www.science-sparks.com/ideas-for-learning-about-forces/
- Could you write an explanation about why we salt roads in the winter?
- Explore countries which lie on the lines of longitude and latitude.
- Explore Greenwich Meridian Time. https://mocomi.com/prime-meridian-facts/ Why do we have different time zones?
- Choose a story about Jesus from the bible and write your own comic strip to retell the story.

You can also share pictures of your home learning via Class Dojo.
