Redscope Primary School

Autumn 2 Home Learning

Expected Learning

Reading	We expect that the children read a minimum of three times a week to an adult or older sibling. Please record this in their planner. Children achieve 5 house points for reading three times in a week. Reading diaries are checked on a Friday.
Spelling	All children have spellings to learn each week. These are recorded in their planner. Please make sure that your child practices. 5 minutes, three times a week will make a huge difference. Spelling Frame can also be accessed to support children with the learning of their weekly spellings. They are given on a Friday and tested on a Friday.
Mathematics	Children need to practice their number facts regularly. Little and often is the key to getting these embedded. In Year 4, we expect the children to practise their target times tables that can be found in the garage section on TTRockstars. Please complete at least 30 minutes per week as part of their home learning. Maths homework (both paper based and TTRS) is set on a Friday for the following Thursday. Children who complete both sets of homework will earn an extra play time on a Thursday afternoon.

Additional Curriculum Task

Please choose at least one item from the menu below and bring the home learning into school by Monday 14th December. This task can be done with adults. Children can choose more than one if they wish. The more creative the better!

- Make an Anglo-Saxon 3D setting.
- Write a setting description about an Anglo-Saxon village.
- Create an Anglo-Saxon timeline.
- Explore how a 'cup and string' phone works. Create a set of instructions for making one and evaluate the findings.
- Research Hinduism and create an information poster.
- Create and label a diagram of the body or the colours of the rainbow in Spanish.
